

# LET'S MAKE MASKS

KAREN REDNER

EASY FUN

**When – Thursday September 3, 2020, 6:30-7:30 PM**

**Materials to make your masks to be announced**

## **MASK MAKING SUPPLIES**

### Masks

1. Pleated Mask
2. Pleated Mask with opening
3. Formed Mask

Supplies needed for each mask:

#### Mask #1

1. 8"x 9" rectangle - 2 pieces
2. Pellon optional - 1 piece same size
3. Elastic 2 pieces measuring 7" (1/8" preferable)

#### Mask #2

1. 12 x 12" (1) piece of material
2. 2 pieces of yarn for around the ears 7" long
3. Coffee filter in place of Pellon
4. Wire for across nose

#### Mask #3

1. Pattern for this mask
2. 20"x 22" piece of material (fold in 1/2 to cut material) Cut 4 pieces
3. 2 pieces of elastic 7" long
4. Pellon Cut 2 pieces

**(continued on page 3)**

### **HELPFUL HINTS**

1. Material should be 100% cotton but light cotton blends are fine. It is wise to have 2 different designs or colors so you can tell which side you were wearing next to your face in case you take it off intermittently.
2. A "Fat Quarter" works well for making 1 each of #1 & #3
3. Pellon is the same as stabilizer (used for lining collars and cuffs). It should be medium weight or it is harder to breathe through.
4. When cutting the pattern for the formed mask, make sure you have right sides together.
5. If you want to make the elastic go around the head you will need approximately 13" x 2 for an adult mask.
6. If making the formed mask, I could have wires to pick up the church. I'm coming up that way on September 1
7. A child's pleated mask is made the same way except material measures 6" x 7" and elastic about 5" depending on the child.

# Reading-Berks 39<sup>th</sup> Annual CROP Hunger Walk is GOING VIRTUAL!!!

Sunday, October 11, 2020

Over the past 38 years, thousands of walkers raised more than \$1,050,000 (yes, over a MILLION dollars!) through our Reading-Berks CROP Hunger Walk.

This year, because of the coronavirus pandemic and the need for physical distancing, we are introducing our VIRTUAL CROP Hunger Walk:

It is urgent that we find new ways to engage our community to continue giving to our CROP Hunger Walk as the current pandemic creates increased need for food and resources for our local agencies and around the world. Now is the time to give more than ever!

If there is anyone from WCOTB that would be interested in participating in this year's Crop Hunger Walk, please contact Diane Zimmerman (610-780-0481 or [zimmfam512@aol.com](mailto:zimmfam512@aol.com)). All the information will be forwarded to you. If anyone would like to make a donation to the walk, please send a check payable to the church, noting that it is for the Crop Hunger Walk.

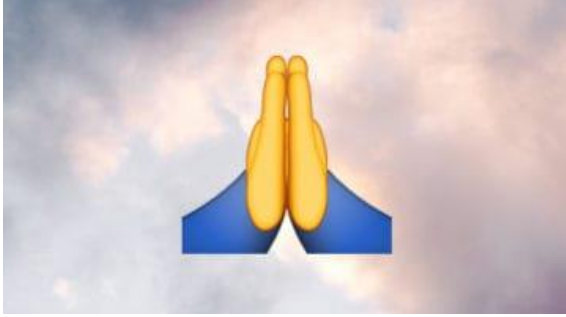

## Harvest Home

It is that time of year when we think of helping others through the holidays. We have helped many families in the past and want to continue, even more so now. If anyone knows of a family that could use our help through providing food,

please let the Church Office know. We welcome any support, be it donating non-perishable food or financial support to buy necessary items. Donations can be dropped off at the church through Monday, November 23.
