“Click” Evangelism

thoughts by Ray Dotter

Evangelism means spreading the good news. There's plenty of good news to share from the Wyomissing Church of the Brethren. You can help spread the good news by simply sharing a link or clicking on “share” on Facebook.

One of our recent YouTube videos was viewed about 250 times — many more than usual. **What was different about this video? *It was shared multiple times by different people to their friends.***

If you see a message from the church that inspires you, send the link to others. Share the posting on Facebook to your time line. Our good news can bring light to those who need it in a time of darkness. ***That's “click” evangelism.***

News from CCC, Coffee, Crafts, and Chatter

Because of your continued generosity and support for our Christmas Shop, we were able to donate \$100 gifts to Berks Women In Crisis, now called Safe Berks, to Hope Rescue Mission, and to the Family Promise Christmas Campaign.

Thanks to everyone who has contributed a homemade item or participated in our workshops during the past year. Dan Biss has made beautiful stars of wood to use as Christmas decorations or just to decorate your home all year.

Ursula Pohl has been able to utilize the yarn that we have accumulated for her knitting and crocheting group at Phoebe Berks. They have already made many scarves for Family Promise and also use the yarn for prayer shawls. We are happy to have this benefit from the generosity of our church members.

We have also been fortunate enough to have several dedicated women quilters and several dedicated craftspeople on Tuesday mornings and many dedicated craft people for the nighttime get togethers at Nancy Dotter's home.

Thank you to each and every person involved in this project.
