Family Promise

WCOTB Family Promise week is coming up from 6/13-6/20/21. Since the families stay in Family Promise housing we will only be providing food for the week. We are doing this in the form of grocery shopping. If you would like to make a monetary donation towards the food, please send to the church with an indication that it is for Family Promise. Thank you for your continued support of this program. Any questions, please contact Diane Zimmerman.

Phone E-Blast?

If you open and read the E-Blast via your phone versus your computer, your personal phone settings may be blocking the complete content of the E-Blast, which may result in your E-blast looking a bit odd on your screen.

"Do Not Automatically Download Images" is a setting option in your phone; if you are using this setting, you may be blocking the E-blast to arrive as it is created.
